Likes The Sentinel Best of All

Scottsville, Ky.
June 22, 1920.

Find enclosed \$1.00 for the Sentinel. I received a copy yesterday. I read the Nashville Banner and Louisville Courier Journal, but nothing could afford me more pleasure than reading the Sentinel.

I have to go nine miles out in the country today to build an oil tank. It is a 250 gallon wood tank. Just completed one for the glycerine plant. Say, it don't require much talent to build tanks. Just a strong back and a weak mind and I have them both.

Plenty of money, oil boom and a fast time is the slogan of old Ky.

Wishing all my Jackson county friends success in their undertakings, I will close and write again when I have more time.
Noch S. Chaffin.

Crushed To Death By Falling Tree.

J. L. (Polk) Ellis, one of the leading citizens of the 6th district, was crushed to death Tuesday afternoon about 4 o'clock by a falling tree.

Mr. Ellis in company with several other men was cutting timber for ax handles when the accident occurred. A tree they had cut caught in another tree, and while attempting to dislodge the tree, it fell striking Mr. Ellis across the breast, crushing him beneath it. He lived about thirty minutes.

Mr. Ellis was 47 years old, a good citizen, and his untimely death has cast a shadow of gloom and sadness over the community in which he lived.

He leaves a wife and one child, and two brothers, W. K. and Lewis Ellis.

Funeral service was held Wednesday afternoon, conducted by Rev. T. N. Berry. Interment in the New Hope cemetery.

The County Board of Education will meet July the 10th instead of July 3rd. The county court will adjust the tax rate first Monday. We will also know the tax aggregate and know more about the amount of school money, hence the change in the date of meeting.

Respectfully,
J. H. Jackson
Chairman of County Board.

For Tax Assessor.

In this issue of the Sentinel will be found the announcement of W. T. Hargis of the fifth district as a candidate for Tax Assessor.

Mr. Hargis is well known by a large number of the citizens of this county, having made the race for Tax Assessor two years ago, receiving a large vote. He is a hard working, industrious farmer, and is qualified for the office he seeks. Anything his friends can do to honorable elect him Tax Assessor will be greatly appreciated. He will make a canvass of the county and hopes to see a large number, if not all of the voters before the election.

For Sheriff.

S. S. Jackson of the 12th district makes his announcement in this issue of the Sentinel as a candidate for Sheriff of Jackson county.

Mr. Jackson has served as constable of his district for several terms, and filled the office to the satisfaction of all. At present he is holding the office of Coroner to which he was elected three years ago by the County Court without opposition. If elected Sheriff he will bend all of his energy toward making an official that the county will be proud of. He has begun a canvass of the county and will see the voters face to face by election time.

To Ex-service Men.

To County Superintendent:

Right at this time while competent teachers are so few I desire to call your attention to one way in which young men may be trained for the profession.

The Young Men's Christain Associations of Tennessee have recently informed me that funds were available in the different counties for scholarships to be awarded ex-service men. A teacher's course at Peabody college or one of the State Normal schools is offered as one of the professional courses, or a special summer course at Blue Ridge, North Carolina, can be taken.

If you know of any ex-service men who you think would desire to take advantage of this opportunity I hope you will put them in touch with Mr. A. B. Richardson, State Secretary of the Y. M. C. A. for Tennessee. His address is Nashville.

Yours very truly,
Albert Williams,
State Superintendent.

EXAMINATIONS FREE TO ALL

John Morgan Vanhooser, the efficient and obliging carrier of R-2, was in the office Tuesday and paid for two subscriptions: Willie Anderson R-2 and Leo Purcell, who is in the oilfields of Burkburnett, Texas. John is of the opinion that most everybody on his route will be on the list before July 5, when the price of subscription goes up. We hope they will. It's the thing to do. You need the paper and the paper needs you. Rural route number 4 is boastful of the fact, that it has the largest subscription list to-date, but they will have to keep climbing, or the others will be in the lead, that is if they keep coming like they have been for the last few days. Come on and join the merry crowd of Sentinel readers.

Maxwell-Renfro.

A wedding of much interest to a large circle of friends was that of Miss Eulo Renfro and Mr. Willis Maxwell, which occurred Monday, June 21, at the home of the bride's parents, Mr. and Mrs. J. A. Renfro, 910 Swaney St., Harriman, Tenn.

The wedding was a quiet one, witnessed only by the immediate family. Rev. Padday, pastor of

the Methodist church of that place, officiating.

The bride is one of Harriman's choicest young ladies, and a popular stenographer of that city.

The groom who has been making California his home for the past 15 years, is a native of this county, and is an estimable young man.

Immediately after the ceremony Mr. and Mrs. Maxwell took the train for Cookeville. They arrived in Gainesboro, Tuesday afternoon and spent the night with Mr. and Mrs. A. M. Holland. They will visit relatives of the groom on R-2, for several days and return to Harriman for a brief stay, after which they will go to Coalinga, Cal., where they will reside, and where Mr. Maxwell is a valued employee of the Standard Oil Company.

The Sentinel extends congratulations and best wishes.

Dr. S. B. Fowler has sold his farm to Dr. H. L. Baugh for \$30,000.00. Possession will be given Jan. 1, 1921. It is generally conceded by those who know the place, to be one of the best stock farms in the county and well worth the price it brought. The offices on the north side of the square were purchased by S. E. Tinsley and Ed Pippin for \$1000, who in a few minutes turned it over to G. Lee NeGlasson for a profit of \$200.
